¹ The links below allow you to access four short lectures. You can use them to stimulate some thoughts before attending the teaching week and as a reminder when you get home. You are advised to listen to each part separately and then make notes or think about the issues raised. The four parts cover:

Part 1: An introduction to the lecture and the first topic - Measures as a social product:

<http://breeze.mdx.ac.uk/p31772130/>

Part 2: Epidemiology – the broad picture <http://breeze.mdx.ac.uk/p26381591/>

Part 3: Measuring individual consumption <http://breeze.mdx.ac.uk/p35702523/>

Part 4: Measuring population consumption <http://breeze.mdx.ac.uk/p45023455/>
